

King William

and the Dragon

Robert

5000 years ago
year ago
there was a

Seven thousand

years ago

there was a

terrible

dragon.

The scary

dragon could

fly faster

than an

airplane

could eat a

whisker

sharp

claw. He could
smash a wall with it.

The one day
the mighty
dragon had
eaten all of
the chickens
it wasn't long
before King
William
shouted all kill
THAT DRAGON

King William

fired arrows

at the dragon

but the dragon

wasn't killed

yet some shot

more arrows

and

soon the dragon

was dead.

The king and
the Queen
married each
other and
they were safe
from the
dragon.
