lived a terrifying  
evil dragon.

He can kill people with

his mighty tail. He

can fly faster than a space

redder than blood.

It wasn't long

before the scary

dragon started eating

the whole town

and all the people.

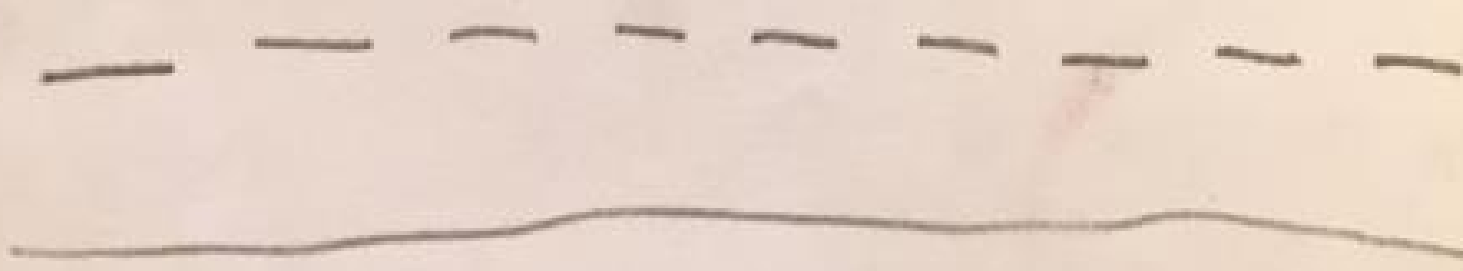

The king declared

that Pink, the king's pet

dragon, must save the

day because soon there

would be no houses left.

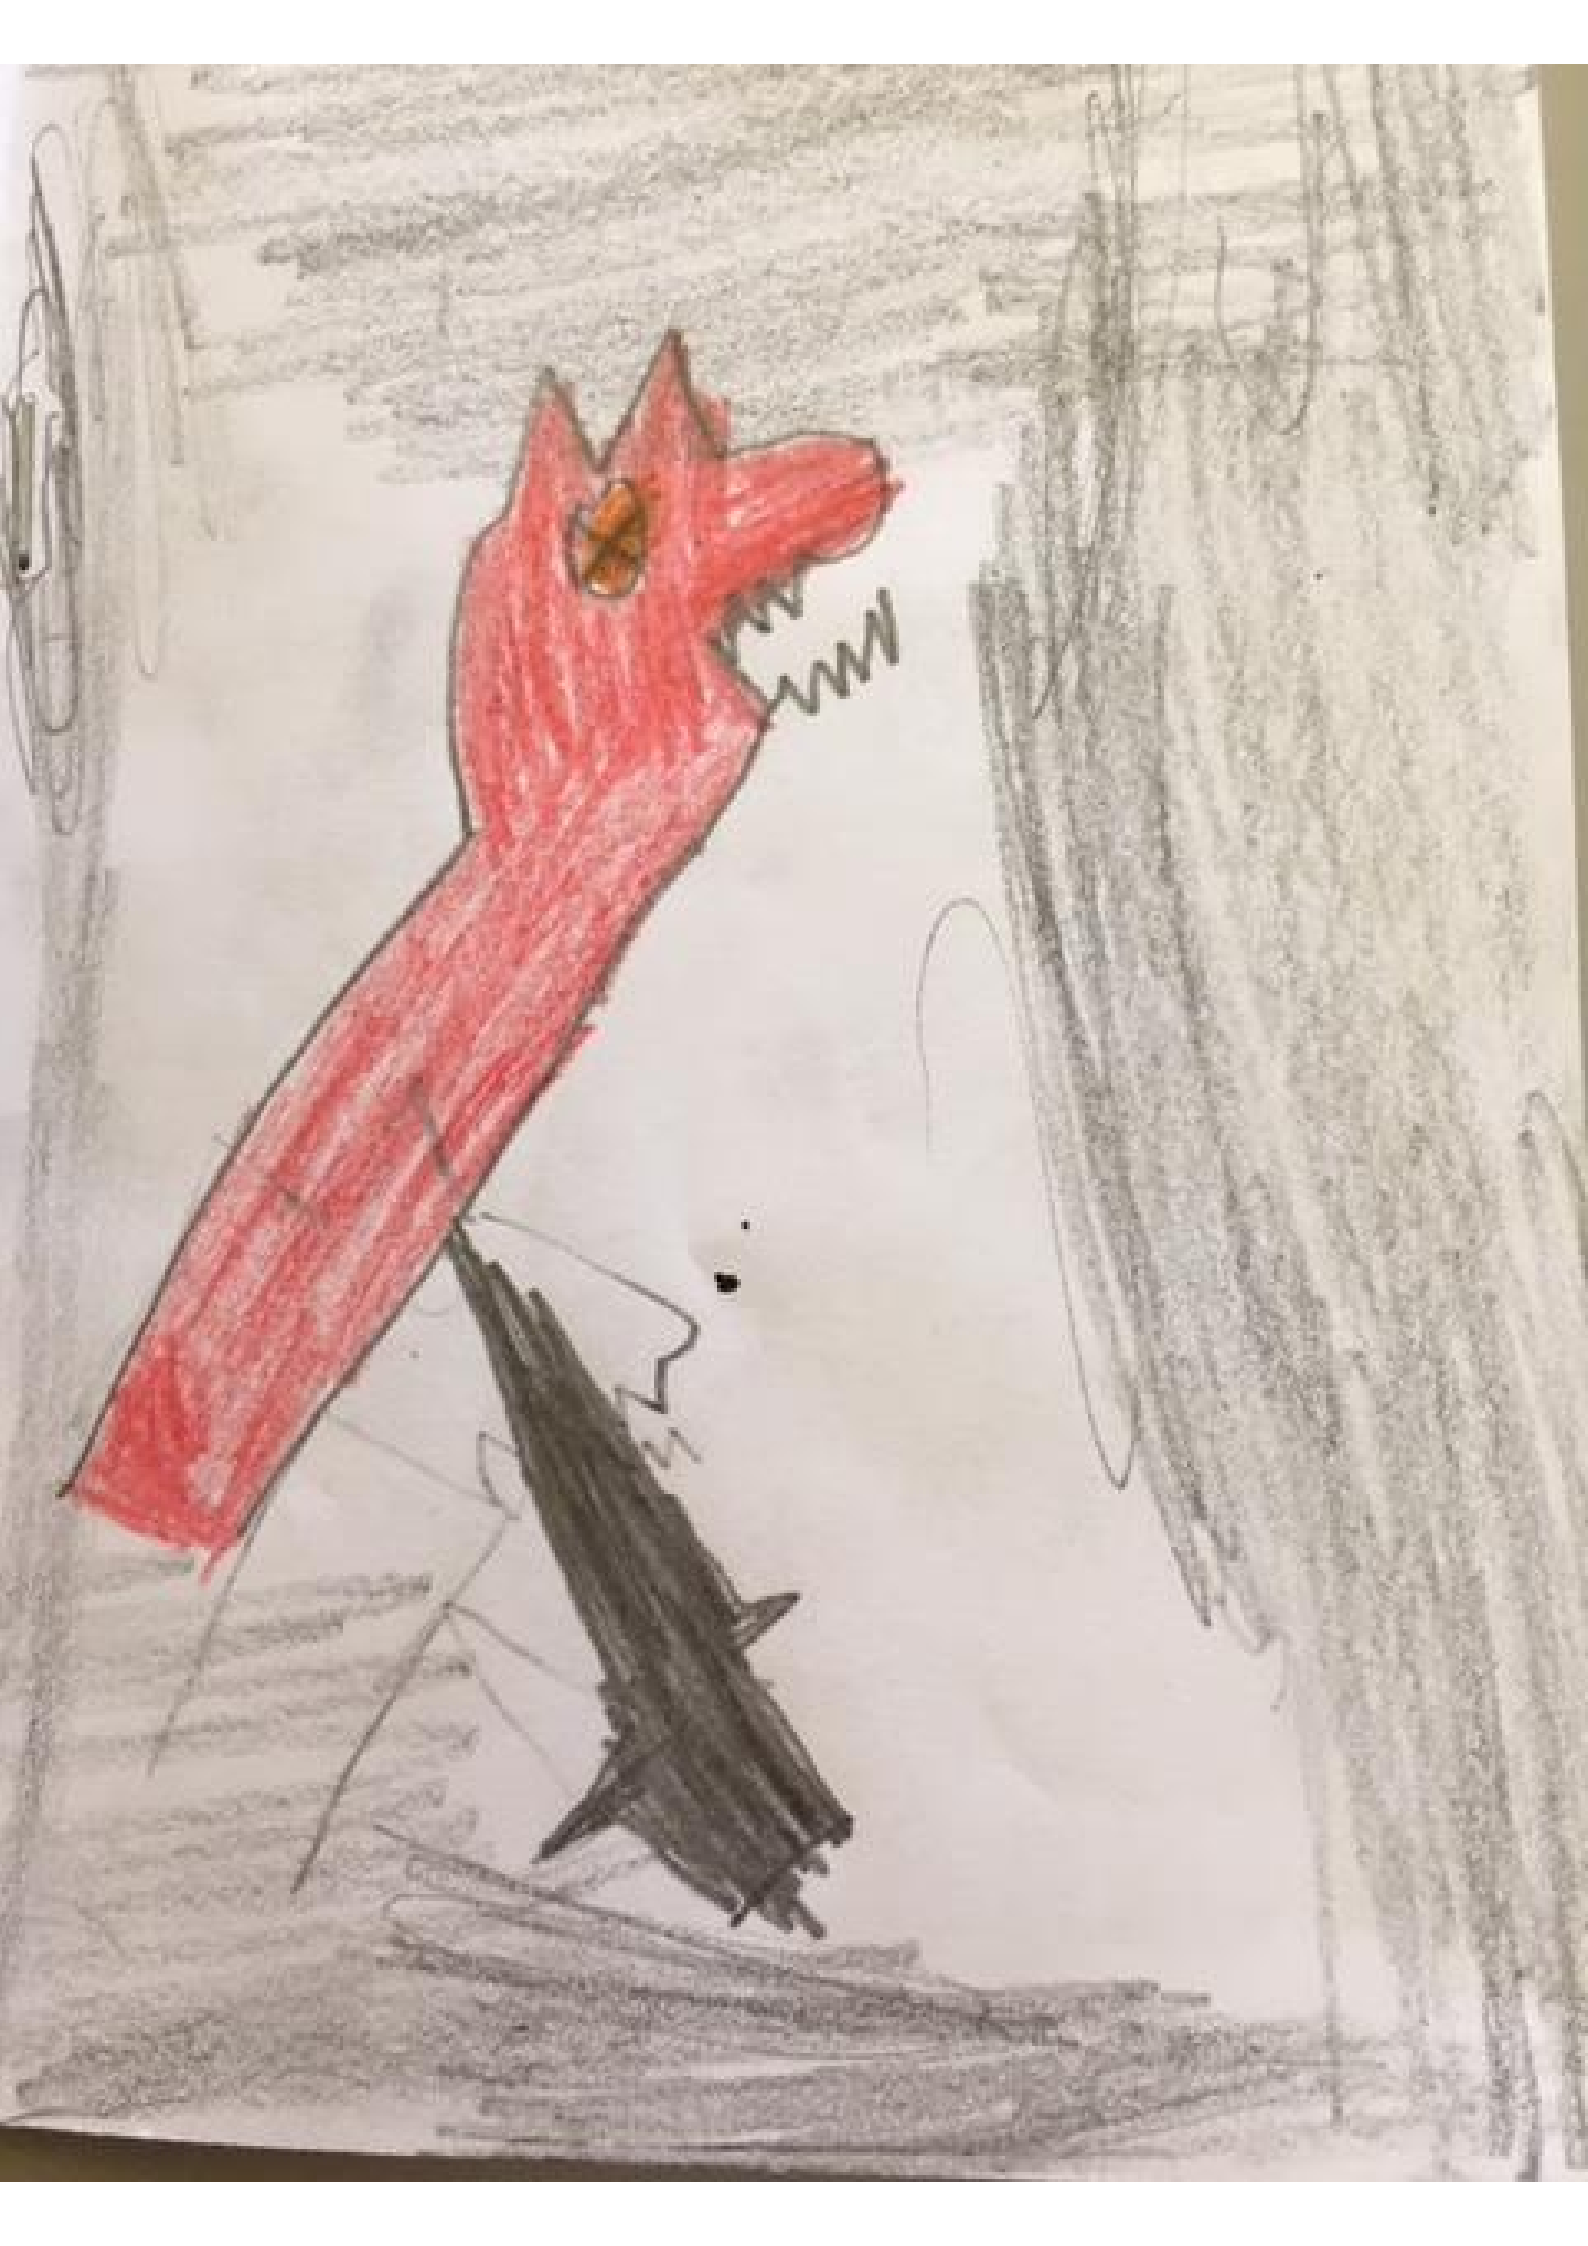

Luckily Pink

got a sword

and stabbed the

horrifying dragon.

Soon afterwards,

made PINK QUEEN of
