Thousands of years

ago in an island

full of dragons

there lived a

raging dragon.

He could put a

stick in the Earth

With his burning

rod he could fly

higher than an

eagle.

It wasn't

long, ^{before} the most

effortful day of all
killed the

PTI members of

The king decided

they must be

stopped so he

called for

Night duty.

Night Fury rushed
from behind ^{the}
and slashed the
widest dragon in
half. Finally the
raging Monster
was defeated.

The people in London
got a new Prime
Minister and Night
Jury was known
as the hero.

Everyone in
London lived
happily ever after

Night fury.
